Popzaal General information:

Dimentions:

Dimensions venue including stage: 18,30m long and 12,90m wide.

Dimensions venue without stage: 12,30m long and 12,90m deep

Floor surface for audience: 155m².

Stage Dimensions without backdrops etc. 12,90m x 6,00m.

Stage Dimensions With Backdrops etc. 8,60m x 5,20m.

Stage height: 1m.

Stage clearance: variable (max. 5,5m)

Accessibility:

The popzaal has two double access doors for the audience and one single door to access the stage.

There also are toilets accessible from within the popzaal.

Dressing rooms

Our dressing rooms are on the second floor!

2 dressing rooms are available.

There are max. 4 dressing rooms available. If the schedule allows.

All dressing rooms are provided with a toilet and a shower.

All dressing rooms are equipped with 3 make-up places.

All dressing rooms have WiFi

Load in/ out

The loading and unloading area is approximately 30 meters from the stage, where both vans and trailers can unload.

Because we have to share the loading dock with the theater, vehicles may have to be moved for other companies

Material can be supplied via one of the public entrances, which can then be rolled onto the stage via a separate ramp or stacker (not present!).

Internet/ Wifi

LAN:

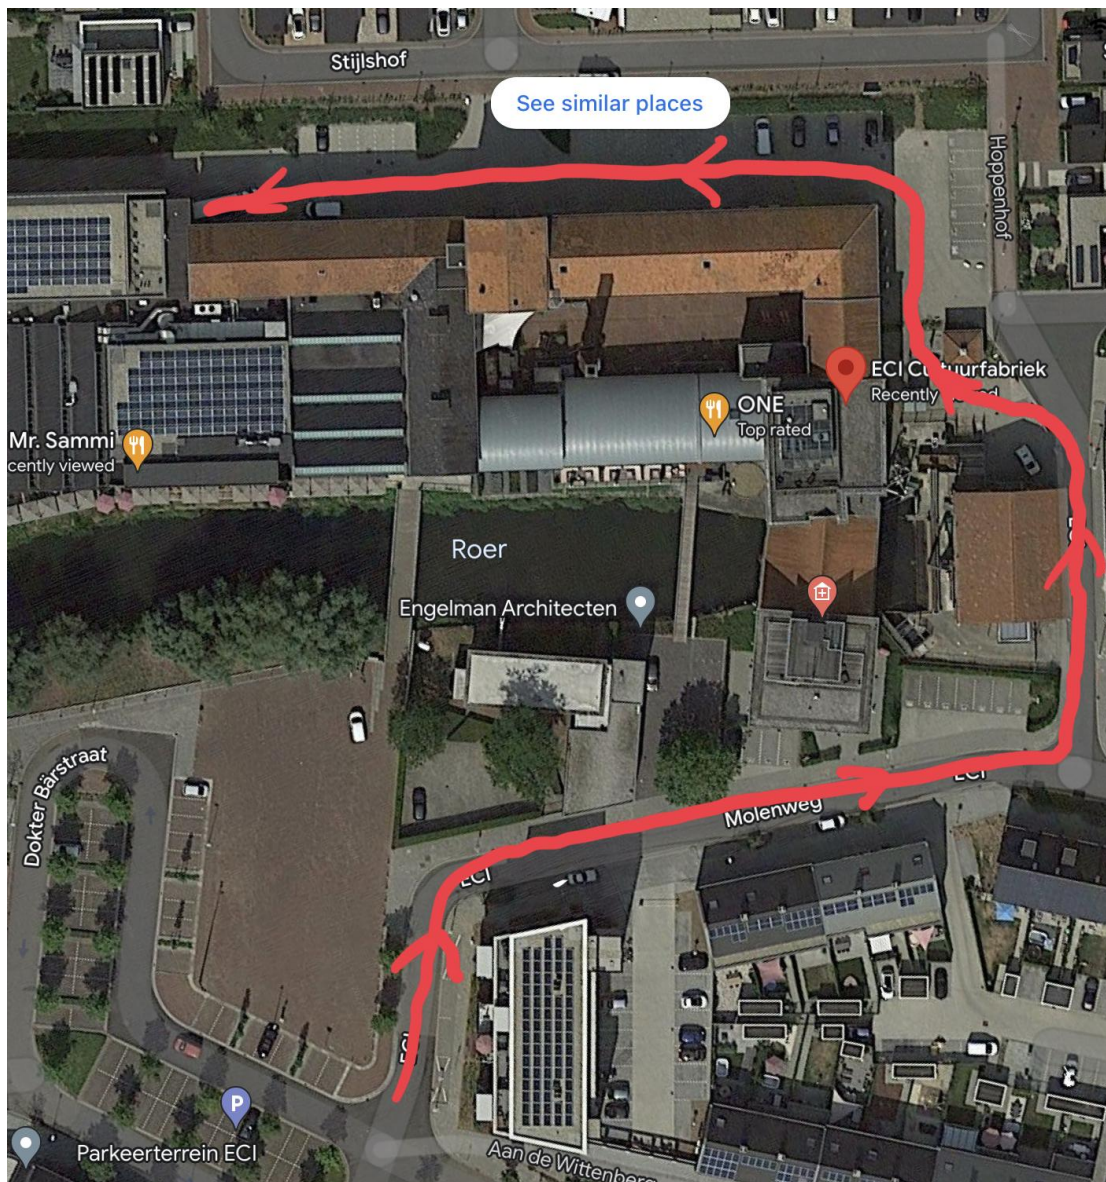

Fixed LAN connection for DJ with streaming capabilities to the internet.

Wifi:

We have a separate WiFi network for artists.

Parking:

ECI cultuurfabriek doesn't have any free parking spots. Also not at the loading dock. Parking costs are €1.90/Hour. (€6.50 for 24 hours).

Popzaal Audio:

Main PA:

2x Sound projects Dreamline Array touring version
3x Sound Projects SP2-15
